QUESTION

Will the Honourable the Minister for Public Works be pleased to state with reference to the answer to question No.319 given on 14th December 1954, the present stage of the proposal to extend electricity supply to Puttur Panchayat Board from Mangalore?

PUBLIC WORKS DEPARTMENT

ANSWER

A major ten year scheme for extension of supply of power from Mangalore Sub-station to Puttur and surrounding areas has just been received from the Chief Engineer (Electricity) and is under the consideration of the Government.

K.SANKUNNI MENON,
for Secretary to Government.

(The above answer has been approved by the Minister(Works).

To the Madras Legislature Assembly, Secretariat (5 copies).
To The Personal Assistant to Minister(Works) with enclosure.
To the Public(Elections) Department.

P.W.D.U.O.NOTE NO.195 E/56-2.
DATED 14-3-56.

PUBLIC WORKS DEPTT.

NOTE FOR SUPPLIMENTARIES

2.Sri K.Venkataramana Gowda, M.L.A. put a question in October, 54 enquiring whether a propo for the extension of supply of electricity from Mangalore to Puttur in South Kanara Dt. was under examination and if so the stage of the scheme. He was informed on the floor of the Legislative Assembly on 14-12-54 that the feasibility of extending electric supply to Puttur Panchayat Boa area from Mangalore was under examination by the Electricity Department and suitable action would taken by the Government on receipt of the final report.

3.The M:L.A. in referring to the above answer desires to know the present stage of the proposal to extend electric supply to Puttur Panchayat Board from Mangalore. It is submitted that a scheme for extension of supply of power from Mangalore Sub-station to Kalladka, Mani, Barimaru Kadeshwalya, Balliyuru, Vittal, Puthur and Uppina gudi villages in South Kanara District has just b submitted to Government by the Chief Engineer (Electricity) and it is undef examination. The initial outlay on the scheme works out to Rs.8.729 lakhs and the total estimate in 10 year period amounts to Rs.11.151 lakhs. The total anticipated revenue in 10 years period is Rs.11,27,311.7 which works out to return of 10.1% on the capital outlay. The scheme will therefore be remunerative. Supply is proposed for agricultural, industrial, domestic and street lighting etc., purposes. Th source of supply of power will be from Jog Hydro Electric Scheme and the intial scheme is expected to be completed in one year after the receipt of sanction by which time the Jog supply to South Kanara would have materialised. The villages of Kalladka, Barimaru and Kadeshwalaya are lying

under the Community Project area and Puthur and Uppinangadi are under the Malnad area of the South Kanara District. The estimated cost of the scheme exceeds Rs.2 lakhs. Ordinarily it has to be treated as a "New Service" and placed before the Standing Finance Committee and the Cabinet. The approval of the Legislature also will have to be obtained in due course.
